### DESCRIPTION

This legislation modifies the licensure requirements for cosmetologists, hairdressers and manicurist in Sections 329.040, 329.085 and 329.190, RSMo. It would allow a cosmetology or vocational/technical school to elect to base the course of study (minimum required training) on credit hours by applying the credit hour formula in Subpart A of Part 668 of Section 668.8 of Title 34 of the Code of Federal Regulations, as amended. In addition, this legislation would require two of the seven board members to be licensed school owners.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
